## THE AIR MAIL PILOT

by Kellie Strøm

**A PLANE SPOTTER'S GUIDE**

These are just a few of the many aircraft to be found in the book. Some of these types are also in the Science Museum's collection.

{1} Handley Page HP42—there's a model of one in the Flight gallery, {2} Savoia-Marchetti SM66, {3} Autogyro—there's a Cierva C30A Autogyro in the Flight gallery, {4} Junkers G38, {5} Lockheed Super Electra—you can find this plane in the 'Making The Modern World' gallery.
